We love you. Yes, you.

## Chaosportunity

- Upheaval, uncertainty continue. Differences?
- Whoa! Didn't see that one coming...
- Wow! Quick, accelerated, but suddenly
- Is every instance of shaking and sifting bad?
- Prophetic ministry reformation
- Character, character, character
- Questions more important than answers
- God is way better than we think He is; Gospel news is too

## Backdrop / Mindset: Become

- **Normal:** I am
  - A product of my influences, experiences and choices
  - Not who you think I am
  - Not who I think I am
  - Who I think you think I am
- **New normal:** I am who I Am says I am
  - “Follow Me.” ~ Jesus, Christ and King
  - Dual dimensions, simultaneous, not in conflict
    - Timebound and Eternal

## Call to Action: Follow

### **Follow**

- Jesus, as Christ and King
- Jesus, as Head
  - 4 Pillars: Scripture, Holy Spirit, Amongness, Surrender
- Separate unto Him
- Prioritize Body opportunities
- Validated prophecies, words of wisdom & knowledge

## Call to Action: Pray

### **Pray**

- Time with God for its sake alone
- 2-way dialogue with God, conversational prayer
- Develop intimacy with God, with His presence especially, upgrade your listening skills
- Activate praying aloud, in Kingdom wineskin (victory, joy, authority, power)
- With others. Aloud. Corporate prayer is KEY in 2023

## Call to Action: Speak

### **Speak!** (*into yourself, into others*) **Speak words of:**

- Activation: You are... You can... ..., now go! ..., grow!
- Knowledge
- Wisdom
- Affirmation
- Confrontation
- Truth

**Life**

We bless you. We love you.  
Happy New Year

2023 Life!
